Placement Tests Information
English and Math Accuplacer™

What is ACCUPLACER?

ACCUPLACER tests are administered by College Board. The exam is a suite of computerized tests that determines your knowledge in math, reading and writing as you prepare to enroll in university-level courses. Over 1,500 institutions administer ACCUPLACER tests as part of the enrollment process. These tests help identify your strengths and needs in each subject area and place you in the appropriate college courses that meet your skill level.

Computer Proficiency Exam

(Only Engineering students are required to take a computer proficiency exam)

Computer proficiency exam is a computer assessment test that aims at evaluating students' abilities to understand computers, information technology and related topics. It evaluates students' understanding of fundamental technology concepts such as the internet, software, and hardware. In addition, the test examines students' essential and basic computer skills on spreadsheets and databases.

You can find a sample of the test on our website: www.aud.edu → Admissions → Book a placement test
