

1. POLICY NAME: **INTERRUPTION OF DEGREE PROGRESS**

2. POLICY CATEGORY: **GENERAL POLICIES**

3. POLICY STATEMENT:

When a student interrupts progress towards completion of his or her degree for one calendar year or more, ***he or she must re-apply to the university in order to resume their studies***. The application for re-admission will entail a review of the student's record by the Admissions Office which, in consultation with the Office of Academic Affairs, may require the student to fulfill (in all or in part) the degree requirements in effect at the time readmission is requested. These requirements may differ from those in effect at the time the student was first admitted to the university.
