3. POLICY STATEMENT:

Academic Probation

In its review following the end of each semester or term, the program's Graduate Academic Committee will identify cases of noncompliance with the above standards and place the following students on academic probation:

- Students whose CGPA has fallen below 3.0.
- Students who have earned a first grade of F in a course.

The Graduate Academic Committee will inform each student placed on probation, in writing, of the specific conditions required for reversion to good academic standing. In all cases, students on academic probation (other than those admitted on probation) must maintain a term GPA of 3.0 or higher until they revert to good academic standing. If a student fails to maintain a minimum term GPA of 3.0 or higher in any subsequent semester, the student will be dismissed from the graduate program.

Conditions Applicable to Students on Academic Probation

Students on Academic Probation must consult with the Program Director prior to selecting their courses and obtaining their academic advisor's approval to register.
