Good to Know

The Dubai Code of Conduct, Decency Rules and Laws

This guide explains the standards for social ethics and conducts to be followed by all of Dubai's citizens, residents and visitors in respect of the Emirate's culture, religion and habits. **Dubai rules and laws are available** <u>here</u>.

Stay Up to Date

Three English Dailies to keep up to date with UAE and Dubai: Gulf News, Khaleej Times and The National.

What to Wear Around Town*

Dubai is a progressive and relatively liberal city. However, there are certain laws and cultural practices that you should be aware of and adhere to.

Respectfully, you should avoid short skirts, short dresses, short shorts, revealing tops, and shirts with offensive logos or language. If you plan to visit any of the souks or mosques, it is most appropriate to wear long skirts, shorts, or trousers, and loose tops that extend to the elbows.

*Please note: that many of the above-mentioned suggestions regarding clothing are acceptable to the emirate of Dubai only. For instance, Abu Dhabi and Sharjah are more conservative in terms of dress codes.

AUD's Dress Code Policy

AUD, in accordance with the laws of the UAE, adheres to specific guidelines regarding appropriate attire. As a result, students are expected to dress properly while on campus.

Inappropriate attire is defined as, but not limited to:

- Tight or revealing clothing;
- Short shorts and short skirts;
- Low-cut tops or dresses;
- Sagging jeans or jeans with suggestive holes or markings;
- T-shirts with inappropriate logos or language; and,
- Midriff-baring, open-back or halter tops.

Pork

As a religious practice, Muslims do not eat pork. However, hotels and restaurants frequently have substitutes such as beef and veal on their menus. If pork is available, it is clearly labeled as such.

Alcohol

Alcohol is generally only served in hotel restaurants and bars. Restaurants that are not associated with hotels are not permitted to serve alcohol.

Alcohol is not permitted on the AUD campus.

Drug-Free and Alcohol-Free Environment at AUD

As a matter of rigorous policy, AUD prohibits the manufacture and unlawful possession, use, sale or distribution of illicit drugs and alcohol by students on its property and at any university activity. Violation of this policy results in appropriate disciplinary actions up to and including dismissal, even for a first offense. *Violations of the law will also be referred to the appropriate law enforcement authorities.*

Students may also be referred to abuse help centers. Information on the school's drug-free awareness program and drug and alcohol abuse prevention program may be obtained from the AUD Health Center.

Embassies

Most embassies are located in Abu Dhabi, the capital of the UAE. However, Dubai has several consulates that are accessible, if needed, during your stay. We recommend that you "register" with your local embassy/consulate shortly after your arrival, to receive important emails and information related to your stay in the region.

For a full listing of embassies and consulates in the UAE, please click here.

Mobile Phones

There are three major telecom providers in the UAE: <u>Etisalat</u>, <u>du</u> and <u>Virgin Mobile</u>. You can purchase the phone and/or (e-)SIM card from the airport upon arrival, or from convenience stores or any service provider stand/store in the malls.

What to Pack

Adaptors

The local electricity is 220/230 volts. You will need rectangular 3-pin adaptors.

Clothes

It's Cold Inside!

It is advisable to pack a shawl or a light jacket to wear over summer clothes because it is often cold indoors due to air conditioning during the hot season (April-September).

Lightweight summer clothing is suitable for most of the year, but sweaters or jackets may be needed for the winter months, especially in the evening.

It's the Desert!

Good quality sunglasses are recommended, and photochromatic lenses are for those who wear glasses. Sunblock, hats, and other protective gear are strongly encouraged if you plan to spend time outside.

Residence Hall Room Items

Students are expected to bring or purchase some items to the residence halls, please see the list of items <u>here</u>.
